Veterans In Production

IT HAS been a very creative time for Veterans In Production as donated wood has been recycled into a myriad of different items.

Accrington and Rossendale College was able to offer VIC off cuts of wood from its woodworking department and Simon Peace cleverly made them into garden Jenga games.

Operations Manager Bob Elliott said: “We are now selling the games from the VIC Centre at a cost of £20.

“We were also asked by photographer Liz Hall and our press officer Catherine Smyth to create a stall for a human fruit machine game that they are using to raise money for Rossendale Hospice.”

Outreach Worker Steve Butterworth quickly swung into production to create the bespoke stall with three cut out holes for buckets and even painted it.

Liz said: “We would like to thank VIC for acting so quickly and creating just what we needed for our stall at Weir Fete.”

A number of pallets have also been donated by Haslingden engineering firm Filter Fabrications.

Veterans have broken them down into planks ready for the next creations. Other pallets were donated by J and J Ormerod of Bacup.

A lot of the wood has been used to create planters for our allotment in Helmshore, which has been project managed by Steve.

Brian also made his first DVD storage unit at the VIC Centre, thanks to expert tuition from Simon and David Joddrell.

STUNNING fretwork pictures have been created by Outdoor Activities Co-ordinator Ivy Limbrick and they will be available to pre-order as prints in time for Remembrance - contact the office.

Woodworking course

PLACES are available on the third woodworking course to be held at the VIC Centre in Haslingden.

The six-week courses have led to members creating stunning items. Sessions are run by Dave Joddrell from 10am until 3pm. Each session costs just £3, including tea and coffee and all materials.

To book a place call 01706 833180.
A SOCIAL inclusion trip to Crosby Beach is planned for Thursday July 26. Members will be making a welcome return to see the Antony Gormley statues – Another Time Another Place. Refreshments are available and suitable clothing must be worn. Places are limited to 11 including the driver. To book a place contact 01706 833180.

VIC has received the generous donation of 10 brand new Mini-Anne mannequins for CPR training. Operations Manager Bob Elliott said: “We would like them to go to a good home, possibly to a school or a community group where they could be used for training. If any organisation would like them, all we are asking is that they make a donation to VIC.” For more information contact Bob on 01706 833180.

VIC members Alan Willetts and Brian are taking part in a six-week course working with horses at Shorehey Farm, Briercliffe. Burnley FC in the Community is funding the course which is looking at how to help veterans with low level mental health issues use the power of horses to give them an opportunity to ‘find their place’ back in the community.

A BIG thank you to our Volunteer Support Worker Mel and her husband Paul for clearing the garden of Second World War veteran Doug Hocken. RAF veteran Doug, 90, from Rawtenstall, has not been able to do any work on his garden for a number of years and it has become overgrown. Thanks to Mel and Paul, the front beds have been cleared and the back, which is in three tiers on a slope, is also being tackled.

Operations Manager Bob Elliott said: “They have done an excellent job. Once everything starts to die back they will be cutting it and creating a garden that Doug will be able to enjoy with his grandchildren.” The garden is being cleared in stages and the second phase, which is now underway, will see a patio area cleared. The remaining two tiers of the rear garden will be cleared in the New Year.

Book sale boosts VIC work

A BIG thank you for the many books that have been donated to VIC for resale in Tesco, Haslingden. In its first week, the book stall at the store raised £432. The sale will be on throughout the summer and will be raising money for a number of different charities including VIC. VIC was delighted to be able to provide organisers with nine trolleys full of books to sell.

Veterans got rhythm

VIC was a guest of Carers’ Link at a fun afternoon at Bowley Scout Camp in Great Harwood. A number of different organisations were represented and VIC members Chief Executive Liz Hamilton and veteran Deegs, Admin officer Amanda Walton and veterans Guy and John attended.

Amanda said: “There was a campfire, barbecue and also drumming workshops using African drums. Members also got to look round the tipi village. It was a really nice day.”

FLAGS were raised and veterans paid their respects at a number of events to mark Armed Forces Week.

Operations Manager Bob Elliott attended a ceremony at County Hall in Preston when Armed Forces Week was launched.

On Armed Forces Day – Saturday June 30 – all veterans and their families were entitled to free bus travel on Transdev buses.

In Rossendale, at St Mary’s Gardens in Rawtenstall, Bob, Liz Hamilton, Steve Butterworth and Bill Ogden attended a flag raising ceremony.

In Rochdale, Steve was accompanied by two 95-year-old veterans, two at 80 plus, one in their sixties and one nearly 60 for the Rochdale flag raising ceremony for Armed Forces Day.

There was also an outstanding performance by the VIC Singing Group and their collectors at ASDA in Rawtenstall.

An amazing £701 was collected from shoppers and a massive thank you to everyone who helped singing, collecting and donating.

Members of VIC Steve and Bill also joined around 70 veterans for a meal at Burnley Football Club.

The lunch, at Turf Moor, saw veterans from Bury, Trafford, Rossendale, Burnley, Nelson, Colne and Rochdale enjoying a celebratory lunch.

A Remembrance Garden was also opened in Rochdale.

A FURTHER seven members of VIC enjoyed a teambuilding day at Whitehough.

This time they tried archery, high ropes, an aerial zigzag path and a leap of faith.

A collection of photographs and videos are available to view on Facebook.

Burnley FC in the Community runs the centre.

MORE amazing artwork has been created at the latest Bob Ross class at VIC.

This time there were two very young artists Lizzie and Izzie and their work was spectacular.

The 25th painting in the style of Bob Ross class will be held on Saturday July 28 and the cost is £35, which includes all materials and refreshments. A packed lunch is advised.

Spaces are very limited and to book call 01706 833180.

NEXT month Burnley FC in the community will open a new community café in the town centre at Charter Walk.

VIC has been involved in the project since January when we were invited to help strip out the fittings from the shop that had been based in the unit.

Our Burnley outreach will be relocating into the community café.

See next month’s newsletter for the official opening.
